Wednesday, June 6, 2012 – Planning session with administrators

Location: TST BOCES Campus, A-Building, Room A-14

Time: 8:30 a.m. – 3:00 p.m. (1 hour will be provided for lunch, on your own)

Purpose:

The primary focus of the network this year will be on the transition to the Common Core Learning Standards for Mathematics. This focus will be paired with other topics such as RtI, Formative Assessment, and 21st Century Learning.

For the optimal district experience, please consider participation of multiple teachers within each building, to provide support and collegiality for the Math Coaches. At least one teacher from grades K-4 and one teacher from grades 5-8 within the same district would allow for continuity between multiple grade levels as well.

Cost:

Riccomini, Paul, and Bradley Witzel. <i>Response to Intervention in Math</i> . Thousand Oaks: Corwin Press, 2010.	\$33.95
Additional resources, supplies, and copied materials	\$60.00
Total cost:	\$93.95
